

In Memoriam

H. Boardman Hopper

Trustee 1918 - 1959

It is with sincere sorrow that we record the death on July 26, 1962, of H. Boardman Hopper, for 41 years a dedicated member of our Board of Trustees, whose death at the age of 77 came after several years of illness.

Member of a distinguished family long connected with Bucknell, Boardman Hopper served as a University trustee in the tradition begun by his grandfather, William Bucknell, chairman of the Board of Trustees from 1882 to 1890, and continued by his father, Harry S. Hopper, our Board chairman from 1890 to 1917.

From 1918 until 1959, when ill health forced him to retire, Boardman Hopper generously contributed his services to Bucknell. From 1921 to 1957 he ably headed the Finance Committee of the Board and from 1936 until 1959 was a valued member of the Investment Committee.

During the administrations of seven Bucknell presidents he made available to the University his special knowledge and ability. In recognition of "his notable integrity and efficiency in business affairs, his intimate relationship to the University, and his expenditure of time, money, and effort in the interest of Bucknell," the University conferred upon him the honorary degree of Doctor of Business Administration in 1956.

His duties as a senior partner in the Philadelphia investment firm of Hopper, Soliday and Company did not preclude his devoting considerable attention to the Board of Publications of the American Baptist Convention and we know that members of that organization share our loss.

Quiet, patient, and unassuming, he was ever loyal to the highest standards in both his personal and professional life. He will be sorely missed by his many colleagues who held him in high respect and deep affection.

In evidence of our deep appreciation, by unanimous vote of the trustees, we request that this resolution be recorded in the minutes of our meeting and that a copy be presented to his family.
